
INVESTURE

Address: 126 Garrett Street, Suite J
Charlottesville, VA 22902
Phone: (434)-220-0280

Investure's office is located in the Gleason Building on the corner of Garrett Street and 2nd Street. It is the smaller older building in front of the newer 200 "G" building. There are many street level offices in the Gleason Building including Nest Realty, Freeman's Auction House, and Octagon Partners.

There are two hour parking spaces available along Garrett Street. Please be sure to back into these spaces to avoid towing. If you intend on being at our office longer than two hours, please call our Office Manager to make separate arrangements.

Our entrance is located in the front of the building. You will walk around the building in front of the other offices and through the brick courtyard. Investure's entrance is the last door on the right, within the courtyard.

Cabs and Car Service

While it is fairly easy to get a cab in Charlottesville, they are not readily available on the street. We recommend the following services.

Go Green Hybrid Transportation
